

Triangle Area Meeting Minutes for 1/10/2001

Fairfax City Town Hall

January 10, 2001 7:30 p.m.

Attendance: Dan Conway, Dave Gessert, Dino Andreatos, Tom Tracy, Bill Schmidt, Cynthia Cute, John Veneziano, Alex Versosa, Bert Peacher (Al Litschgi requested participation on committee but unable to attend first meeting)

Dave Gessert nominated and approved as Committee Chairman

Cynthia Cute nominated and approved as Committee Secretary

Voting by 2/3rd majority of those present. Must have a minimum of 2/3rd of the committee in attendance to vote (don't have a quorum unless 2/3rd of the committee are in attendance, minimum of 6 people to vote with a 9 member committee)

Any one in the triangle area may be a member but must make a commitment to become an involved member.

-Above items approved - all in agreement.

Frequency and lengths of meetings - 90 minute meeting proposed and approved. John Veneziano suggested posting minutes on Fairfax City Transportation web site, when it is up and working. Copies of sample web site distributed as well as the 1998 Triangle Area proposed traffic calming measures.

-Discussion of effectiveness of measures and availability of statistical information.

Cynthia Cute offered a recap of SpeedWatch trailers and counters done in the triangle area 1998 and 2000. Recaps are included as attachments.

Bill Schmidt requested and offered to try to research the effectiveness of measures proposed in 1998.

John Veneziano will email members the email address for Ventura, CA sight for research effectiveness.

Dirk Brouwer and Bill Schmidt requested data from 1998 and 2000 Triangle Area traffic studies.

Dino Andreatos discussed hazards and safety issues relating to the Cedar Ave and Rte. 123 intersections relating to a high number of accidents occurring. Information collected showed some type of accident occurring once every other week. Data collected will be posted at a later date.

All items from the 1998 Triangle Traffic Proposal will be reviewed and evaluated. First meeting will be discussion of 1998 items 1-5 for passage at next meeting, second meeting will be passage of items 1-5 and discussion of items 6-10 and third meeting will be passage of items 6-10 as well as any new, additional suggestions and/or recommendations.

-Items 1-5 discussed. Raised "brick" walkways to be made out of "stamped asphalt" for durability and traction purposes. "Neighborhood" sign should be in keeping with the "feel" of the neighborhood. Should be an aesthetically pleasing sign.

-City Staff will contact commercial property owners surrounding the triangle informing and encouraging involvement.

Next meeting: Wed. January 24th 7:30 PM. Town Hall

Meeting adjourned.
